

Happy Holidays!

The holidays are here again...
So I will take the time
To fill you in on what's going on
In this crazy life of mine

We've had a good year all in all...
School, and work, and fun
...It all goes by so quickly
And then another year is done

We went to Disneyland (again),
We went to the Fair this summer, too
We spent sunny days at the ocean
And many hot days at the pool

The family business is doing fine
Though we're working to make it great
And the cats are still alive and well
So that sums up 2008.

We're looking forward to the New Year
And a home project or two...
Lots more smiles and memories to make
...we hope some will include you!
